Graduation Completion Rate...	100%	* Certificates of Completion issued by the district	
		** Limited English Proficient (LEP)	

### Highlights

At Murtaugh School District we are feeling the pressure of providing more for our students, but receiving less from the State Legislature. We are pleased to inform our patrons that through careful allocation of monies, priority spending, and money received through district authored grants; we did not have to run a supplemental levy as some of our neighboring districts. We are grateful for the high level of positive community involvement and support that we receive. We look forward to another outstanding school year.

### Progress Towards Meeting Goals

#### 2004-05 Goals

The Murtaugh School District uses a standards driven curriculum. Our programs are based on the Idaho State Standards and supported with standards based materials. The staff and faculty consistently address curriculum to ensure that our scope and sequence are aligned.

#### Progress

The Murtaugh Business Department will be teaching the following classes for the 2005-2006 school year: Business Computers Applications I & II, Webpage Design, Desktop Publishing, Technology, Life and Careers, and Economics. The Murtaugh Agriculture Department will offer: Exploration of Ag, AG I – IV and horticulture. MHS will be adjusting their block schedule slightly. With a modified block our students will attend the same four classes for 45 minutes every morning. Math instruction will be scheduled in the morning classes. After lunch, classes will be 90 minutes long and will alternate every other day. This allows our HS students to participate at the Cassia Regional Tech Center.

The Murtaugh Elementary provides consistent opportunities for proficient development in the areas of opportunities for proficient development in the areas of reading, math and technology. We also continue to utilize Accelerated Reading in grades 1-5 and Waterford in grades K-2. These programs, partnered with our adopted curriculum, are helping us progress toward our goal of having all children reading at grade level proficiencies. We have also added greatly to the availability of technology to students by purchasing more computers, scanners, printers, etc.

## Adequate Yearly Progress and Assessment 2004-05

Did Murtaugh Jt District make Adequate yearly progress for 2004-05? Yes

Percent of the 41 targets that Murtaugh Jt District made: 100%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals

3rd Indicator - Graduation Rate		
2003	2004	Goal
